It is as Māori that the Lord calls you, it is as Māori that you belong to the Church, the one Body of Christ.”

...

As you rightly treasure your culture, let the Gospel of Christ continue to penetrate and permeate it, confirming your sense of identity as a unique part of God's household. It is as Māori that the Lord calls you; it is as Māori that you belong to the Church, the one Body of Christ.

Excerpt from the Pope's homily at the Mass celebrated in the Auckland Domain, NZ, Saturday, November 22, 1986.

KAUPAPA OF REPURPOSING

The Hāto Pētera site is being re-purposed to provide services, which are aligned to the site's historical purpose of 'education'.

Core components of the repurposing to include the following:

1. Education with a focus on vocational training
2. Health and wellbeing training
3. Housing for those educated/trained during and post their training – whanau are supported and catered for onsite.
4. Provision of services that are culturally appropriate particularly in line with Maturanga Māori and Te Ao Māori.
5. Katorika Māori spiritual chaplaincy services.

PRECINCT PLAN UPDATE

(Te Mahere Aronga - the map that guides us)

The vision is to create a centre of excellence; focusing on vocation and health training.

- Brief for development of Hāto Petera Precinct Plan was distributed in May 2023
- Parties invited to submit precinct plans visited the Hāto Petera site at dawn on 16 May and have had engagement opportunities with the Interim Governance Group
- Three precinct plans and presentations have been received. These are being reviewed by members of the Interim Governance Group with the intention of appointing one lead architect. Collisions will be needed down the track but initially we need some leadership to refine and further develop the vision.
- Recommendation will be made to Kaumatua Rōpū and Bishop of Auckland.
