New life at Hāto Petera

Hāto Petera has a proud history and tradition of supporting Māori through education. More than acreage, the old Hāto Petera College site is a taonga and it is now serving another generation in a new way as a community of hope and action. Currently, the site is being used:

- for Monthly Miha (Māori Catholic Liturgy)
- by Transformation Academy working with youth to instil life skills and gain NZQA credits;
- for transitional housing (managed by De Paul House)
- for groups to use sports fields during the week and sports games on weekends

We celebrated the return of Hāto Petera taonga in December 2022 and the tangihanga for Pouro Richard Kanara in August.

We are keen to hear your response to these items. There will be a Q&A at the end of the presentations. You can email your feedback to [teresam@cda.org.nz](mailto:teresam@cda.org.nz), complete an online survey form (on the About page at [www.hatopetera.com](http://www.hatopetera.com)) or you can share your ideas on the paper feedback form available. Please provide feedback by **Friday 15 December 2023**.

**Please join us at our next hui-a-whānau on Saturday 9 March 2024 from 3-5pm.**
